COGMED™
Health Science

About Us

Cogmed Health Science (CHS) is an integrated international pharmaceutical company based in Mumbai, India. Established in 2021, we produce a wide range of high-quality and affordable medicines trusted by healthcare professionals and patients worldwide.

Since our founding, CHS has achieved global recognition through our commitment to delivering products that meet international standards. We specialize in nutraceuticals, pharmaceuticals, and cosmeceuticals, all developed using modern scientific techniques and advanced infrastructure.

To enhance our customer-centric approach, Cogmed Health Science has partnered with top manufacturing companies, API manufacturers, packaging experts, and in-house regulatory testing labs. This integration allows us to provide top-quality products and advanced technology under one brand name.

Our dedication to offering top-quality products, combined with innovation, rapid execution, client-focused services, and adherence to compliance, has established us as leaders in the nutraceutical industry. We are devoted to providing products that guarantee quality, purity, safety, and efficacy, in line with international regulatory requirements.

COGMED™
Health Science

Our Mission

To enhance health and well-being globally by delivering superior quality nutraceuticals, pharmaceuticals, and cosmeceuticals, leveraging cutting-edge technology and scientific advancements, while maintaining a steadfast commitment to excellence, innovation, and customer satisfaction.

Our Vision

To be a global leader in the healthcare industry, recognized for our unwavering commitment to quality, innovation, and excellence, and to continuously improve the lives of people by providing advanced, effective, and affordable health solutions under the trusted Cogmed Health Science brand.**

COGMED™
Health Science

Why Choose Us?

Innovation

We leverage modern scientific techniques to develop advanced healthcare solutions.

Quality Assurance

Our products undergo rigorous testing to ensure they meet predetermined standards.

Customer Commitment

We prioritize client services and compliance, ensuring satisfaction and trust.

Global Partnerships

We collaborate with top manufacturing companies, API manufacturers, and packaging experts to bring the best products to market.

Regulatory Excellence

Our in-house regulatory testing labs ensure that our products meet international regulatory requirements for quality, safety, and efficacy.

Advanced Technology

By integrating the latest technology in our processes, we deliver cutting-edge solutions that cater to the evolving needs of healthcare.

COGMED™
Health Science

Why Choose Us?

Sustainability

We are committed to sustainable practices in our operations, aiming to minimize environmental impact while ensuring product excellence.

Comprehensive Product Range

From nutraceuticals and pharmaceuticals to cosmeceuticals, we offer a diverse range of products to meet various health and wellness needs.

Expert Team

Our team of dedicated professionals is highly skilled and experienced, ensuring the highest standards in product development and customer service.

Global Reach

With a presence in multiple countries, we are able to deliver our high-quality products to a broad and diverse customer base.
